COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Assessors have established the 1960 tax rate at \$30.16 per thousand dollars valuation. This is an increase of 16 cents per thousand over the 1959 rate. Work is now in progress preparing the tax bills which will be mailed the last week in August.

Samples were taken from three elm trees and sent to the Maine Forest Service to be tested for Dutch Elm Disease. The tree at Gladys Johnson's at West Bethel has already been reported as having Dutch Elm Disease. The sample taken from the tree on property of P. H. Chadbourne, located on Paradise Street is reported as having the disease, this being the first elm in the village that has been stricken with this tree disease. The other tree tested was on Park St. near the residence of Faye Taylor. The report on this tree was that it had some type of unidentified bacteria.

The Town Road Improvement money is being expended on the Grover Hill Road. The project starts at the intersection of Lovers' Lane Road and continues past the residence of Elton Coolidge. The present road is being widened so that an 18' traveling surface will be provided, as well as adequate ditches for drainage. The work is currently in progress and is being done by the regular crew of the Highway Dept.

Sincerely,
Harold L. Bean

"YOUTH IN ONE ACCORD" TO COME TO BETHEL

"Youth in One Accord," gospel team from Houghton College, Houghton, N. Y., will hold meetings at The Church of the Open Bible August 23rd through 28th. Evening services will be at 7:30 p. m. and Sunday meetings at 11 a. m. and 7:30 p. m. Everyone is cordially invited to hear the best in gospel music and testimony and a message by Coach Wells. The group, which consists of five young people and Coach Wells, will also conduct a Vacation Bible School at the church through the week, starting Tuesday, August 23rd, from 9 to 11:30 a. m. All the young people are well trained and will give the children good instruction and a good time. All children interested are invited to attend. For transportation, call Mrs. H. Fenton Robertson, Mrs. Gerald Kneeland or Mrs. Eva Browne.

The personnel of the group is as follows: The leader, Dr. George R. Wells, is Director of Athletics at Houghton College and has traveled for over eight years as Director of "Youth in One Accord" with a burden for genuine revival in the Christian Church.

The girls' trio consists of Lorraine Simons, first soprano, Jackie Tyler, second soprano and Nancy Sacks, alto. The team is accompanied by Lillian Taylor at the piano.

It is hoped that many will come out to hear this treat in music and inspiring message.

Breaks at the building supply store of Charles E. Merrill Saturday night and at the home Mrs. Elizabeth Thurston, Mechanic Street, are under investigation by the sheriff's department.

Lt. Donald G. Bennett, and Miss Anne Allen of Laurel, Md., spent the week end with Mr. and Mrs. Harold G. Bennett at Riverside Farms, Lt. Bennett graduated July 28 from the Army Air Defense School at Fort Bliss, Texas, and will soon join an Air Defense Unit in Cleveland, Ohio.

MRS. ELLEN C. WATTS

Mrs. Ellen Chapman Watts died Sunday night at a Portland nursing home, where she had lived with her sister the past year.

She was born Ellen Barstow Chapman, July 18, 1861, in Bethel, the daughter of Algeron S. and Caroline Barstow Chapman.

A private duty nurse for many years, she was graduated from the nursing school of Philadelphia Women's Hospital. She worked for 18 years in Pennsylvania before returning to Maine to care for an ill cousin.

Her husband, Peter L. Watts, died in 1921.

Besides her sister, Miss Angie Chapman, she is survived by several nieces.

Funeral services were held Wednesday afternoon at 749 Congress Street, Portland. Interment was in Evergreen Cemetery.

DEDICATION SERVICE HELD AT LOCKE MILLS CHURCH

A special service was held at the Locke Mills Union Church Sunday evening, Aug. 7, at 8:00 p. m. to dedicate the new pulpit, communion table and choir rail. Everett Blake of Berlin, N. H., made these beautiful oak pieces of furniture and donated them to the church. Great skill is portrayed by the artful hand carving of the gold inscriptions on the pulpit and communion table.

The program of the evening included an anthem by the choir, "Go Not Far From Me," and a solo "He Shall Feed His Flock," sung by Mrs. Richard Melville and accompanied by Mrs. Kenneth Swan of South Paris. Joseph Bradley read the scripture and delivered a short message on the meaning of dedication. The communion service was conducted by Mrs. Carlene Bradley with church deacons, Earle Bacon and Clyde Dunham, assisting. Organ music was furnished by the organist, Mrs. Richard Melville, and hymns were sung by the congregation.

G. O. P. FUND RAISING DRIVE

The Bethel Republican Town Committee is launching its 1960 drive for funds. This drive is under the Chairmanship of Arthur Lincoln, and Vice Chairman, Leland Brown. Several members of the Town Committee will be making solicitations. The money raised in this drive will be used for Republican campaigns and promotion, on a local as well as nation-wide basis. Last year, the Bethel quota was reached; the quota for this year is considerably higher than last. In opening their fund raising campaign, members of the Finance Committee stated that political campaigns cost money, and in these days of the inflated dollar, cost a lot of money... money which can only come from individuals. The financial support of all those interested in the Republican Party principles is essential and earnestly requested.

State SCD Supervisors Hold Annual Two Day Session Here

Miss Lillian L. Rowe of South Paris won the Maine Conservation Queen title Monday evening at the banquet of the annual summer meeting of the Maine Soil Conservation District Supervisors Association at Gould Academy. She was crowned by Commissioner of Agriculture Erlon L. Newdick.

The daughter of Mr. and Mrs. Clyde K. Rowe of South Paris, the new queen won the title over three other candidates from Cumberland, Androscoggin and Penobscot counties.

More than 100 persons attended the evening banquet. Robert D. Hastings of East Bethel, an Oxford SCD supervisor, served as toastmaster.

Earlier, as the two-day session got under way, the Androscoggin Valley Conservation District was announced as Maine's outstanding district for the past year. It has about 500 farmer-cooperators in Androscoggin and Sagadahoc counties. Maynard L. Dolloff, State Grange Master, presented the Grange Herald Cup to the supervisors of the Androscoggin Valley SCD. Those present were Charles K. Meade, Lionel Ferland, Harry Crowley, and Henry Stoddard.

Winding up a busy day, which included tours of the mills of Hanover Dowel Co. and P. H. Chadbourne & Co., was a talk on the White Mountain National Forest by its forest supervisor, Gerald S. Wheeler of Laconia, N. H.

In his talk Mr. Wheeler spoke on the general setup of national forests. He said the 150 national forests not only pay their way, but produce a profit. They provide recreation, timber on a sustained yield basis which provides employment and stability for many industries, water supplies for municipalities and others, hunting, fishing and scenery.

His detailed description of the 700,000-acre White Mountain National Forest ranged from its 1,011 miles of hiking trails to 14 roadside camp grounds.

Tuesday's program included a tour of water and soil conservation practices in the area, woodland improvement operations, dairy farm, tree nursery and lumber and sawmill operations in the Fryeburg area. Luncheon was held at the Fryeburg Grange Hall.

Misses Lorraine and Bonnie Eames are visiting this week at the home of Mr. and Mrs. Dana Eames in Wilton.

NORWAY MAN APPOINTED TO F. H. A. COUNTY COMMITTEE

Edward O. Kahkonen of Norway has been appointed to the Farmers Home Administration Committee for Oxford County. He succeeds Emil Immonen of West Paris who served a term of three years on this committee. Mr. Kahkonen is a hatching egg producer and has some truck crops.

Kahkonen will serve on a three-man committee whose main purpose is to determine the eligibility of local farmers who apply for Farmers Home Administration assistance. The committee certifies to the value of farms being purchased or improved with FHA funds and helps the supervisor in adapting the national loaning program to local conditions.

Mr. Kahkonen attended his first meeting Tuesday of this week when several applications for operating loans to purchase equipment and livestock feed were reviewed. Funds are also available for

— Mrs. Bessie Harvey, Corres. —

A daughter, Karrie Lynn, was born to Mrs. Phyllis Parsons, on August 4th, at the St. Louis Hospital in Berlin. Mrs. Parsons is the wife of Maurice Parsons of Magalloway, the family lives at the Brown farm. Mrs. Bertha West is caring for Kim and Kevin, the other Parsons' children during their mother's absence.

Mr. and Mrs. George Strangier with their two sons, and Mr. and Mrs. Arthur Albert, all of Berlin, were at the home of Fred Bennett over the week end. Fred is still at the Stewarstown Hospital and is feeling much better. He expects to be home in another week.

Mr. and Mrs. David Mooney and family have gone to Bangor. Mrs. Mooney with their three sons has stayed with Joseph Mooney for some time.

Miss Melanie Mulhern of Litchfield with her fiancée, Reggie Smith, visited her grandfather, Archie Bennett, and family, over the week end.

Mrs. Olive Turner is ill with the grippe and jaundice at her home.

Miss Jean-Marie Griffin is improving slowly at the Stewarstown Hospital.

Mr. and Mrs. Harold McGinley of Whitefield were at their house in Wentworth Location Saturday and Sunday.

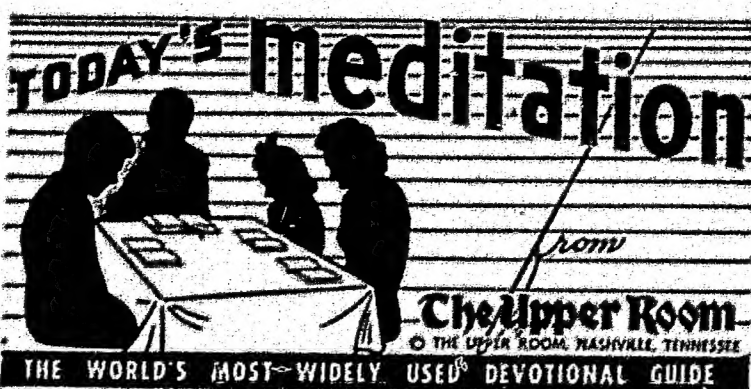

Mr. and Mrs. Claude Linnell of Colebrook are at their farm in Magalloway.

Lauren Bennett cut the hay on Fred Bennett's and Claude Linnell Jr.'s farms last week.

A Dr. Bell of Littleton, Mass., called on Ernest Bennett and Mrs. Mabel Cameron last week.

He is interested in a book "The Young Moosehunters" written many years ago by C. A. Stephens of Norway. He tried to retrace the route taken by them long ago and visited Boscobel Camp where he talked with Mrs. Marquerite Clark. Dr. Bell planned to visit Frank Flint at Fitzwilliam, N. H., who was a young boy mentioned in the book. Mr. Flint is 92 years old.

Thursday, August 11:
Read Luke 10:1-6
Look on the fields; for they are white already to harvest. (John 4:35.)

In early autumn we see the golden rice fields stretching from the sea to the purple mountains. When the rice is ripe for harvesting, the sun has scarcely risen before the workers enter the fields. They carry sickles and bend low to cut clusters of rice stalks. They continue their work until the glow of the sunset fades away.

The patient work of the laborers in the rice fields reminds us of the millions of persons in all parts of the world who need to be reached for Christ. No mass evangelism can reach all of them; they must be won individually.

Workers on the mission fields today are depending upon us to furnish the sickles of pray-

er and liberal giving. Thus, many sin-enraptured persons may learn of the everlasting inheritance Jesus has provided for them.

The challenging question that Joshua asked the hosts of ancient Israel, we must answer today: "How long are ye slack to go to possess the land, which the Lord God of your fathers hath given you?"

PRAYER: O Father, may our hearts burn within us for the world's lost millions. Deliver us from the sin of neglect. Awaken us to the need and opportunities to bring others to Christ. Use us as Thou wilt. In the name of Jesus. Amen.

Thought For The Day
God calls us to labor for Him in the field white unto harvest. Mrs. C. K. Dozier (Japan)
World-wide Bible Reading—Mark 10:1-16.

FATIGUE AND CARELESSNESS CAUSE HOME ACCIDENTS

Fatigue and carelessness are the number one causes of home accidents. Things go wrong when you're "dog tired." Reflexes slow down. Your mind isn't fully alert. Hands fumble. Feet trip over things. Eyes don't see possible dangers.

This is a perfect set-up for an accident, reports Mrs. Pauline E. Lush, Extension Service home management specialist, University of Maine. Homemakers, more than any other one group, are guilty of working when overtired. Taking a

10-minute break will produce amazing results and cut down on home accidents.

Hurrying is brought on by waiting until the last minute and the rushing to get a job done or to get ready to leave home for outside activities. Hurrying tops the list of causes of home accidents, said Mrs. Lush.

Hurry tempts mother to use too small a kettle. Food boils over and mother or child receives a burn. Father uses a knife for a screw driver, or a chair for a makeshift ladder. Cuts or falls result.

Outer space travel may hold its perils but potential destruction lurks as close as the stairs in your own home, Mrs. Lush explained. We need inner space research as well as outer, for many of the stairways in newly designed homes are irregular in proportion and steeply pitched. An adequate stair is about six inches high and has a 12-inch tread.

Most stairway trips by home-

literation is not permitted to make a loan of any type to applicants whose credit needs can be handled by some other credit source.

Other men serving on this committee with Mr. Kahkonen are Erville A. Fernald, Stow and Harold G. Shaw, Jr., of South Paris. Mr. Shaw is chairman of the group for this year.

COUNTRY FLAVOR QUIET WATERS

This is the time of quiet waters. Brooks and creeks flow unhurriedly on their way to a distant sea. All waters seek the lowlands from their birth-places in the highlands. In the spring of year, streams run full between their banks.

Now mountain brooks and hillside streams run quietly through upland pastures and peaceful groves of evergreens and hardwoods. Only a few short months ago they leaped and sang as they hurried down from the heights, and the spray in the air over ledgy waterfalls flashed with jewel colors in the sunlight.

Now slow water slides unhurriedly over colored stones and washed gravel. Ferns lean over small streams and brook trout dash from side to side. Here come to drink at dawn and waiters bathe in sandy shallows in quiet, level woodlands, the water flows among

the boles of tall trees and in places washes the leathery-looking roots.

The time of quiet waters matches the mood of the eighth month. Breecless, humid days plod by as Year moves toward the freshness of autumn. For a period, lassitude lies on the land. Hawks circle the sky on motionless wings and song sparrows sit on fence posts and toss three-syllable introductory strains into brooding silence. Grasshoppers rise on short flights and bumblebees drone among red clover blossoms.

The time of quiet waters is one of Year's distinctive seasons, but behind the quiet brooding Nature is going forward on schedule. It is the time of quiet waters—a time of mellowness and peace. Wise is he who savors each season of the turning year and from it gains new inspiration for the trail his feet must follow.

Christian Science
The meaning of God's supremacy and all-power will be explained at Christian Science

makers today involve carrying laundry, cleaning equipment, groceries, or young children. To prevent falls in this danger zone, Mrs. Lush suggested repairing broken steps; keeping toys, boxes, tools, and other articles off stairs; keeping small rugs away from the head or foot of stairs; providing hand rails; and having stairways well lighted. How many more hazards can you find lurking on your stairs?

Keep accidents out of your kitchen, urged the Extension specialist. Scalds and burns rank high among kitchen accidents. Here Mrs. Lush has listed a few simple precautions that will help to prevent them:

Try to keep the children out of the line of traffic while you're working in the kitchen. A gate at the kitchen door will keep small children out while you're using hot water or fat for cooking.
